Von der Oster, Hans Henning, Dr.

[15 Fort Washington Ave.]

January 12, 1932

January 12, 1932.

Dr. H. H. von der Osten
15 Fort Washington Avenue
New York City.

Dear Dr. von der Osten:

We have secured the book you desired - it has been waiting here for four days.

When you come again, will you be so good as to see me regarding a date for an evening meeting at which the results of your last year's excavations may be read before your hearers.

Very truly yours,

SN:JG

Secretary
